Subject: Highway Preservation: Ultra-Thin Bonded Wearing Course
Federal Project Number: NHPP-2198(600)
Project Number: 021986.00
Farmington Route 2

Dear Mr. Davis,

The Maine Department of Transportation is currently estimating a Highway Preservation project on Route 2 in the town of Farmington for advertisement for competitive bids on April 2017. Construction is scheduled for the summer of 2017.

The project is further described as follows: Beginning 0.38 of a mile south of Stanwood Park Circle and extending northwesterly 1.97 miles.

After the new pavement is placed, no permit to open this segment of highway will be granted for a period of three (3) years except as provided in Title 23, M.R.S.A. §3352. The purpose of this letter is to make the necessary notifications of the project to abutters, municipal officials and occupants of the highway under the provisions of 23 M.R.S.A. § 3351.

We hereby request that you provide a copy of this notice to all municipal officials, employees and boards with responsibilities for utility and/or land-use planning/permitting, and that you post this letter on any municipal public bulletin boards, media outlets and/or municipal websites as public meeting will not be held regarding this project unless specifically requested by the municipality.

Should you have any questions, concerns or other areas of interest, we would appreciate your comments and input. Please feel free to contact me at 562-4228 or at Guy.Whittington@maine.gov with any questions or concerns.

Sincerely,

Guy Whittington
