

We Can Help

The Wanderers Database:

Provides a critical network of real time information including a photograph to Law Enforcement, which assists in locating individuals prone to wander due to Autism, Alzheimer's, Dementia or other mental/medical conditions.

- To participate you **must** register your loved one
- Registration is simple and takes just a few minutes
- Information is secure and private
- Saves valuable time when **seconds** count
- Alerts officers to potential triggers and ways to calm the individual

"As a parent of a teen with autism this program adds greatly to my peace of mind."
