Dear Farmington Property Owner,

The Town of Farmington has hired KRT Appraisal, LLC of Haverhill, Massachusetts to conduct a full revaluation of all properties located in the Town of Farmington. This process involves verifying existing data on file with the Assessor's Office. As such, one of the KRT Appraisal representatives listed below will be asking for a walk-through of your property and to be allowed to measure all structures on the property.

This inspection is vital to the revaluation process and ensures the Town has the most up-to-date assessment data. We would appreciate your cooperation in allowing their representative to come inspect both the exterior and interior of your property.

KRT Appraisal will have one of the below listed Data Collectors visit your property over the next few months:
